**THE WORLD BANK SECRETARIAT  
HIV/AIDS GRANT  
ATTENTION: MR KEITH HANSON**

**HUMANITUS FOUNDATION.**

The above named International Organisation based in Australia, has extended its services to Uganda, in particular, in the districts of Kamwenge, Wakiso and Kumi (Western, Central and Eastern Uganda).

I approve of their proposal/idea to set up three community radio stations in the above districts, with the aim of scaling up HIV/AIDS (life saving) messages.

Humanitus Foundation is working jointly with the local organisations of Kamwenge Development Agency (KADA), Busiro North Development Foundation (BNDF) and Teso Foundation for Education, Research and Rural Development (TEFERD), in Kamwenge, Wakiso and Kumi districts respectively.

I recommend them for any possible and available grant.
